

Housing – HLP Sub-group

Objective: Provide technical support to the DSTWG and area-based coordination groups (ABCs) to identify, address and resolve Housing-HLP issues and develop strategies related to durable solutions.

Guidance developed so far:

Further guidance to be developed:

- HLP in Informal Sites/Settlements
- Guidance on informal site/settlement integration/upgrading
- Rental/Tenancy Agreements
- Incremental Tenure support
- Guidance on core housing/Category 4 Housing Reconstruction
- HLP rights in housing rehabilitation/reconstruction interventions
- Others, as prioritized by members and other stakeholders...

Focus over the next few months will also be to:

- Support wider dissemination of guidance already developed
- Start having more regular Sub-Group meetings, on a monthly basis
- Re-open applications for membership, especially to encourage more Shelter Cluster partners to join
