

# DSTWG and ABC Updates

Presented at RWG meeting

29 November 2022

حلول دائمة في العراق  
Iraq Durable Solutions

## DSTWG (9 November)

- **Housing and HLP Guidelines & the Social Cohesion concept note and the thematic paper** circulated
- **Livelihoods sub-group working group's** call for membership application completed
- **Joint Transition Paper (Option 6)** MOMD welcomed plan for joint transition paper (RCO, UNDP, IOM). Next steps is for transition WG for forum meet and begin drafting process
- **Discussion:** Light Strategy Paper (Opt2), OCHA and Joint Transition Paper (Opt6) to be both further developed: Opt2 paper is short-term (then Gov to take-over ); Opt6 paper is long-term (DS and moving ahead towards Dev)
- **G.P 2.0** conducted a global analysis on DS mechanism in context of cluster deactivation to inform countries where DS coordination structures exist or where they are being considered. (Interviews with DSTWG, DTSF, ABC FPs, donors, NGOs etc). Expected output is a short report capturing current situation & recommendations.
- **NPC and DSTWG joint workshops** 'centrality of protection in working towards durable solutions' planned for Dec 4-8 in Diyala, SAD, Anbar, Kirkuk and Ninewa.

## DSTWG (9 November)

- **DSTWG Strat Planning Retreat** (October 26-27) conducted.

## Key priorities

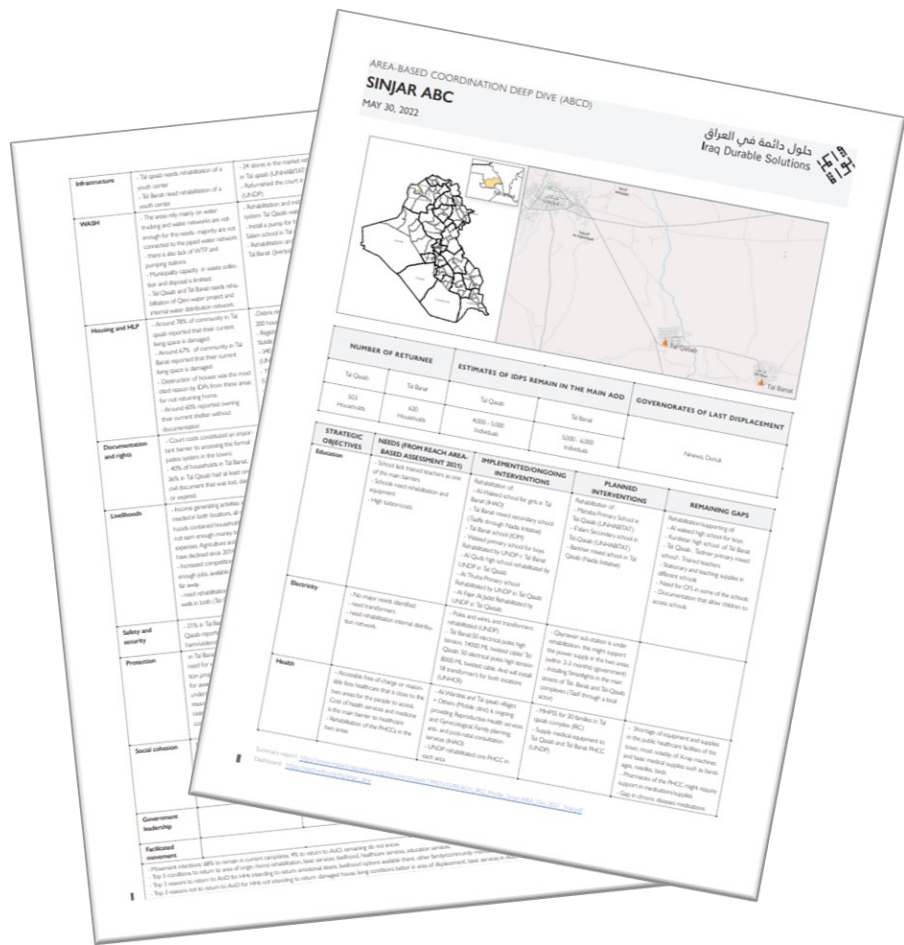

- **Address obstacles to DS**

- i. Access to safety and security
- ii. Access to housing, land and property rights
- iii. Access to sustainable livelihoods
- iv. Access to basic service provision

- **Reinforce coordination for DS**

- i. Improve coordination at the national and subnational level post cluster transition
- ii. Capacity strengthening of partners related to durable solutions approaches
- iii. Enhanced understanding of durable solutions pathways
- iv. Reinforcing advocacy under leadership of the DSTF
