Reflections for the DSTF

- The roadmap identifies 9 areas of engagement with Government – that will require a monitoring and implementation framework
- What role will the DSTF + DSTWG play vis-à-vis the roadmap
- Ensuring coherence of between field implementation and escalation of issues for political action.

JCF Update and Co-Chairs endorsement

حلول دائمة في العراق
Iraq Durable Solutions

- The COMSEC letter to establish JCF has been issued and delivered to the respective governorates.
