# Workshop Objectives and Attendees

## Objectives

- i. Development of coherent SOPs for registration and disbursement of grants for IDPs opting for Local Integration ---working off basis of current SOPs which are designed for return
- ii. Sharing of best practices and provide a better understanding of national and international frameworks for durable solutions

## Participants

- i. MoMD HQ staff and Branch Heads of southern & middle governorates (20 MoMD)
- ii. DSTWG members, NRC, IOM, REACH

# Key Discussions and Recommendations

## Key discussions

- i. Directives issued in October 2022 to facilitate other solutions pathways for remaining HH who will not/cannot return
- ii. Middle and southern governorates have a smaller case load of IDP (used as pilot for other areas with higher and more complex caseloads)
- iii. Need for agreement or approval of governors in the all areas, eg 1 governor had refused to approve local integration
- iv. Next part of workshop will be in Erbil 21 & 22 June.

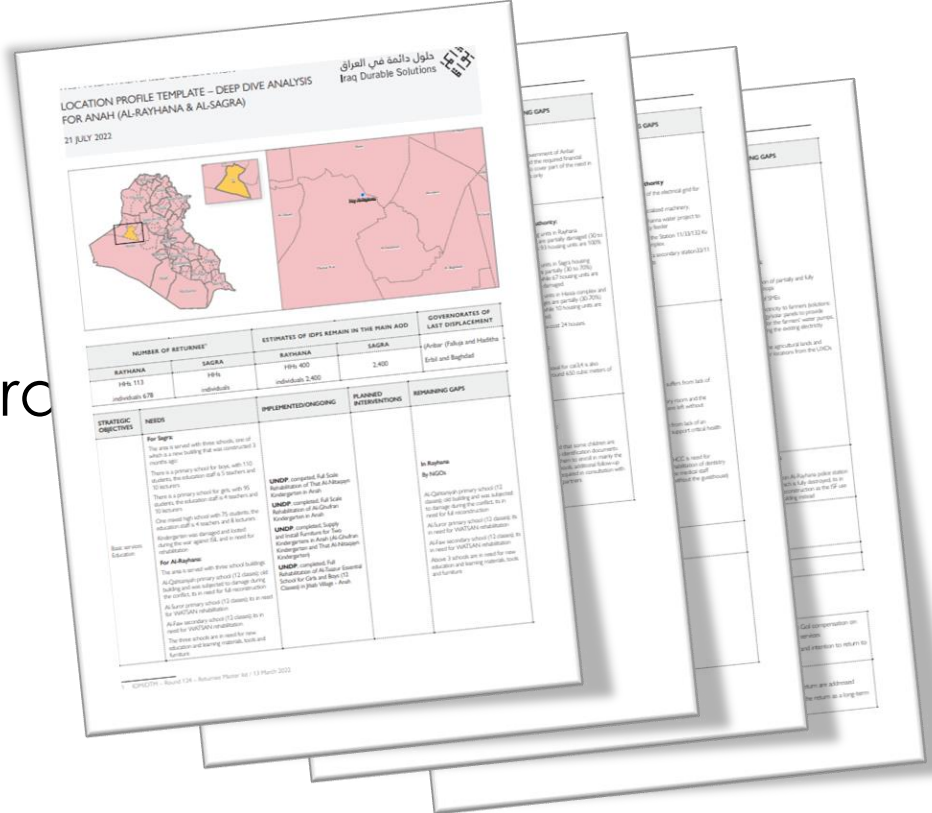

# ABC Update

## POA Revision

- All ABCs are revising their POAs, drafts received from most
- Deadline for review **30 June 2023**

## Advocacy Points

- Continued eviction threats in some governorates

# DS Compact for Iraq

## DS Compact

- 30 May ---Inter-agency workshop to discuss context updates, potential prioritization frameworks and points of engagement for people facing complex barriers to solutions ie IDPs in camps, informal site and those from blocked areas.
  - Participants advocated for prioritization of informal sites at risk of eviction, engagement on camp consolidation and advocacy on locations with movement restrictions.
- Political engagement strategy—In May meetings with PM HR Advisor, KRG MOI and MoMD to brief on compact outline.
  - 19 June scheduled meeting between PM Federal Iraq followed by PM KRG and Ministry of Finance and Ministry of Planning
- Validation workshop tentatively planned for July/August.
