DSTWG Update

DS Compact

- The Compact discussions are ongoing.
- In June, there were discussions with Government, with MoP/MoMD agreeing to lead the process from the government side.
- Relevant agencies and organisations are to engage with their line ministry counterparts in the coming months to negotiate the final content of the compact and discuss common areas of concern

Sub-group Update

Sustainable Livelihoods Sub-Group

- The three Thematic Task Forces (TTFs) are working on their respective TOR to define the scope as well as the work plan that highlights the key events and deliverables until the end of this year. The TORs will be discussed and endorsed by the Livelihood Subgroup member during the next monthly meeting.
- Government engagement: Four partners are selected from the Subgroup to develop a strategy on how to engage the relevant government counterparts at Fed Iraq and KRI.

MoMD Workshop on Local Integration (Northern, Central, and KRI)

Objectives

- Work towards the development of coherent SOPs for registration and disbursement of grants for IDPs opting for local integration and relocation building current SOPs
- Sharing of best practices and learning outcomes towards a better understanding of national and international frameworks

Participants

- MoMD HQ staff and Branch Heads of northern, central, and KRI governorates (20 MoMD)
- DSTWG members, NRC, IOM, REACH
- IOM supported DSTWG with funding to host the event

Main Outcomes

Key Challenges

- Lack of awareness about local integration process.
- Lengthy and complicated procedures for IDPs.
- Complications surrounding the transferring of residency cards.

Key Recommendations

- Awareness brochures to be distributed to families explaining the local integration process.
- Simplifying the procedures where possible, with uniformity across branches.
- Authorities to facilitate the issuance of missing documents

POA Revision

- Draft PoA received from Mosul, Sinjar, West Anbar, East Anbar, Kirkuk and Salahadin.
- Final revision ongoing.
