

# DSTWG and ABC Updates

Presented at RWG meeting

29 August 2023

حلول دائمة في العراق  
Iraq Durable Solutions

## July-August 2023

- i. UN agencies have initiated a process of engagement with the line ministries on the compact action plan and there are bi-weekly meetings between agencies
- ii. Key messages are available on engagement with line ministries
- iii. Costing exercise (government budget planning exercise) with the support of the Office of the Special Advisor---the costing to be validated in September 2023.

#NB It is a budget planning exercise, not a project appeal tool and dependent on several assumption on the use of overseas aid, loads and collaboration with the private sector.

# ABC Update

## All FP Meeting

WASHSupply of Specialized Equipment for water project and Sewerage Sector  
WASHRehabilitation of water pipeline network, water plant and water treatment station Supply of Specialized Equipment for water project and Sewerage Sector

## Feedback from COMSEC

- **Revised ToR:** Endorsed by SG/COMSEC
- **Diwani Order:** it is anticipated to be issued and disseminated to the Governors' offices, hopefully by the end of this week, to rollout the JCFs.

## Next Steps and Timeline

- **UN/NGOs' Co-Chairs Nominations:** Send expression of interest email.
- **JCFs' Co-Chairs Workshop:** Organize a half-day workshop in Baghdad for the JCFs' co-chairs.
- **ABC phasing out:** starts from the JCF rolling out date (up to six months)

THANK YOU
