DS Update

7 August 2024

- RC Advocacy Efforts with the GOI and KRG officials around the camp closures and use of the Roadmap as the guiding document for the High Committee
- Engagement in Sinjar--- Area based plan for Sinjar, reconstruction fund and donor contributions.
- SAD---pilot for implementation of National Roadmap for Durable Solutions.
- High Committee Meeting Preparations – agreement on written advocacy messages for the High Committee and the KRG representatives

Changes in the co-chair and support team

- Welcome to Nawal, replacing Mohamed Osman
- Farewell and Thank you to Layth, NRC has withdrawn the position due to funding constraints and DRC has started the process of expression of interest among the NGOs.

Membership changes

- UNICEF---Mads for Katie
- Review of membership

Joint Coordination Forums (JCF):

Monthly Meetings since Feb:

- Kirkuk (Feb, March, April, June, August); Ninewa (Feb, March, April, June, August, September)
- Diyala (Feb, March, May, June); Anbar (Feb, May, June, August); SAD (May, July, August)

Launch of SAD DS plan: Last JCF Meeting attended by Ms. Ivan and the RC to launch SAD Durable Solutions plan. Priority goes for the recently returned families from the Suli camps.

Sinjar ABC:

- Monthly meetings; Hybrid meetings, Sunrise (LNGO) hosts the in-person meeting. The next meeting will be on September 17th.
- Following up the recent rerun of Yazidi IDPs due to the hate speech incident on August 2nd.
- ABC Members attended a meeting with MoMD delegation on August 18th. Mainly to map out mine action activities in Sinjar.
- ABC focal point along with OCHA, IOM and RCO conducted a fact-finding mission to Sinjar and Ba'aj on September 4th. The objective was to verify the reported information on the number and locations of the returnees.

Proposal - Interagency Assessment Hasansham Village

Hasansham Village Inter-agency Assessment

حلول دائمة في العراق
Iraq Durable Solutions

Of the 13 villages—this was 1 of 3 which did not have any returns in 2023 when the DSTWG assessment happened.

Largest village of the 13 villages with a population of 1200HH according to government figures.

Recent Update:

266HH have returned to the village in August

Government has committed to supporting some components of infra rehab.
