Durable Solutions Governance	SO 1 - Government leadership: National and local authorities lead the development and implementation of effective and inclusive strategies to support durable solutions to displacement in Iraq for all displacement affected people	Participation in public affairs	Participation in political affairs	Proportion of adult population/households reporting they are able to play a role in local decision-making	MCNA		# of eligible adult registered voters voted in national/local elections			Awareness raising campaigns to encourage participation in the elections Election monitoring			
							# of voting polls established			Establishing voting polls			
				Proportion of eligible adult target population registered to vote	NPC Community-Level Protection Monitoring		# of voting registration campaign materials distributed in communities			Awareness raising campaigns on voter registration			
							# of government approved voting registration cards issued to eligible voters			Provision of legal support to facilitate voting (acquiring the relevant documentations)			
			Participation in community activities	Proportion of population reporting actively participating in community, social, or political organizations	REACH (sub-district) Return and Durable Solutions profiles (ReDS), NPC has question on How many at this location actively participate in community and social activities (community groups and campaigns, reconciliation and peace initiatives, discussion with local leaders etc.)? see if to reference as a source as well.		# of activities conducted (training/ mentorship/forum) by community/social/political organizations # of participants attending planned events by community/social/political organizations			Conducting trainings, events, meetings on community participation			
		N/A	Government leadership on Durable solutions	Number of laws, policies or ministerial plans developed by authorities that contribute to the achievement of durable solution	Reflective of UNSDCF - Meeting reports, workshop reports, plans of action participant lists.		# of localized durable solutions plans of action inputted by authorities at area- level			Training of administrative personnel on citizen-centred design and implementation of basic services in selected communities			
							# of ABC meetings with local government actors			ABC meetings — ABC meetings including local government actors			
							# of policy development consultations with national/local actors on topics related to Durable Solutions			Consultations, meeting and workshop with national or local actors on topics related to DS			
Material Safety	SO2 - Housing and HLP: Displacement affected populations have access to housing and security of tenure	Adequate standard of living	Housing Conditions	Proportion of population living in housing which qualifies as sustainable*	Reflective of UNSDCF Framework Master List, DTM, collected every 2 months across the country [could be drawn upon from priority geographic areas if necessary to refine indicator] NPC		# of houses rehabilitated (disaggregated per damage category)			- Rehabilitation Housing works Customizable Shelter Kits (CSKs), minor shelter repairs - Critical Shelter Upgrades (CSUs), medium shelter repairs	'- Critical shelter upgrades - Cash, 'Critical shelter upgrades - In-Kind, Cash for rent	[#SN103] Critical shelter upgrades - Cash [#SN104] Critical shelter upgrades - In-Kind [#SN105] Cash for rent	
							# of destroyed houses that are reconstructed			Rubble Removal and Cleaning of the Public Spaces - Housing reconstruction			
							# of newly built housing units			construction of low-cost housing units			
							# of households provided with debris removal support			– Support with debris removal			
				Proportion of population with access to a safe and healthy housing enclosure unit	MCNA								
			Tenure security	Target population with documents to prove ownership rights/tenancy of housing, land and property left behind (% of total target population who left behind HLP)			# of women and men who successfully secured HLP documentation (non-core civil documents)						
							# of women and men received legal assistance on HLP issues			Provision of legal assistance-Documentation on HLP issues - Provision of legal assistance- Representation on HLP issues	Legal assistance – GP documentation, family law matters, HLP	[#GP107] Legal assistance – GP documentation, family law matters, HL	
											Legal Assistance assistance on HLP		
							# of women and men who participated in awareness raising sessions on HLP related issues			- Awareness raising on housing, land and property rights - Provision of HLP awareness sessions	Awareness raising on HLP		
Legal safety		Access to effective mechanisms to restore HLP or to provide compensation	Restitution mechanisms	Proportion of target population with access to mechanisms for resolving HLP disputes	NPC		# of individuals supported to access dispute resolution mechanism on HLP			- HLP dispute resolution mechanisms/personnel trained on HLP and dispute resolution			
							% of HLP disputes supported and solved through dispute resolution mechanism			- Supporting existing HLP dispute resolution mechanisms - Establishing new HLP dispute resolution mechanism - HLP dispute resolution mechanisms trained on HLP and dispute resolution	Advocacy GP and HLP	[#GP116] Advocacy GP and HLP	
				Proportion of the population reporting [barrier] to receiving property compensation	MCNA		# of individuals supported to submit property compensation claims			- Awareness raising on housing, land and property rights (by topic)	Awareness raising on HLP		
							# of individuals targeted with information on processes to access property compensation			- Awareness raising on compensation processes (by topic)			
Material Safety	SO3 - Livelihoods: Displacement affected populations have access to sustainable livelihoods and income	Access to livelihoods and employment	Employment	Proportion of the adult population who are economically active	Reflective of UNSDCF Framework - ILA DTM; MCNA		# of individuals with access to the labour market			- Livelihood grants - Business grants - Supporting smallholder farmers with agricultural inputs '- Value-chain Study and Rapid Market Assessment - 'Data collection and analysis of price in basic comodities (related to WASH, shelter, transportation, communication and electricity)	Provision of MPCA	[#MP301]Provision of MPCA	
							# of job placement opportunities			hiring opportunities/job placement opportunities	Job placement - Provision of 'Cash+' - Cash component Provision of 'Cash+' - In-kind component	[#EL301] Cash for work [#EL304] Job placement [#FS302] Cash for work	
							# of individuls working X days/month # of Short-medium-long term employment opportunities through Cash injection (cash+, cash with training)			'Cash for work initiatives	Cash and market based activities for IDPs in camp - Cash and market based activities for IDPs out-of-camp - cash for work - Cash and market based activities for Returnees	[#WA203] Cash and market based activities for in-camp IDPs [#WA207] Cash and market based activities for out-of-camp IDPs '[#EL301] Cash for work	
				Proportion of population formally employed, by type of employment (public/private)			# of individuals with formal employment in the private sector						
							# of individuals with formal employment in the public sector						
			Child labour	Target population aged 5-17 engaged in child labour	NPC/CPSC		# of children (5-17) engaged in economic activities # of households with children (5-17) as main income earner
