DTM Tracking Tool: MOMD Grant Receipt Status

- Out of the 7,633 arrived households, key informants reported that **37 per cent** did not receive the MOMD grant, while the rest received a return, local integration or relocation grant.
- The increase of the families who did not receive the grant was due to backlog in the registration process at the Dahuk MoMD. As a result, MoMD is prioritizing those who returned earlier, leading to delays in grant distribution. Additionally, since 12 July 2024, MoMD in Dahuk has halted the approval of return facilitation letters.
- Most recorded households who didn't receive MoMD grant arrived in **Sinjar, Al-Ba'aj and Mosul districts** (1,521, 750 and 302 families respectively) in Ninewa Governorate.
