Iraq Durable Solutions

- Action Point #1: Completed---The DSTWG team followed up with the RC and he clarified that Sinjar ABC remain post the establishment of the JCF due to the high number of IDPs from this district and ongoing needs. This ABC would also look at Ba'aj which has comparable needs/concerns. The RC stated that the phasing down of the ABCs will start upon the Government sending the Diwani orders to the Governorates.
- Action Point #2: Completed---The IOM and UNHCR Assessments were circulated with the minutes. Planning around the joint assessment is ongoing, so far 10 organizations responded to the call to participate, with 60 participants from the 10 organizations. All names have been shared with authorities. Final confirmation is awaited from Ninewa and Erbil's side.
